Saturday PM

For your small group this morning ... do so not sitting in a room but rather discuss the questions as you take a hike together ... BE ON THE MOVE:

**Tell us about a specific way that you have seen change in your life?
(I used to...but now I...)**

Pause - enjoy the view as you read Philippians 3:3-11 again - what jumps out to you from that passage?

**Did you step out from your seat tonight? What made you want to do that?
What is the garbage you gave up? / What is some garbage you're still holding onto?**

What jumped out to you from the Saul story tonight? (Acts 9:20-24)

**Are there people in your life that you think are 'too far' from Jesus, they would never move towards him?
Does the story of Saul change your opinion about them at all?**

Let's talk about some ways we can encourage each other to MOVE TOWARDS TRANSFORMATION...

Sunday

What jumped out to you from the Saul story this morning? (Acts 9:25-31)

What's stopping you from making the jump and moving in a way that Jesus name is spread in your community?
